Novel Crime Show on KNX

For the past two years we have been maintaining that "Life With Elizabeth" starring Betty White and Del Moore is too good a show to be buried away and unrecognized. We've been a Betty White fan ever since the comedy series started and cheered the loudest when she reeived the Emmy from the Academy of TV Arts and Sciences. Now the show gets a break lo-cally (it is not doing bad on the national scene and was given a

rave review by astute Jack Gould in his New York Times article recently) as it shifts to expleitation-minded KTTV (11) at 7:30 p. m. tonight. Show was lost on slipping KCOP (13). "Life With Elizabeth" differs

from most husband-wife com-

The structure of the second structure of the structure of

has the happy faculty of play-ing his role with feeling and understanding. He is an exceptionally good "husband" in that he keeps his role very true-to-life. You may even see some of your own foibles ex-ploited capably in experiences

SICK-SUFFERING

We will explain your condition as we find it (good or bad) in simple easy-to-understand language — and advise you what to do about it. Isn't that what you want to know?

INNERMOST ORGANS ARE NOW VISIBLE

Like viewing a motion picture, we now see clearly your heart, lungs, bronchi, spine, kidneys, stomach, large and small intestines, etc. We note the defects, deformities, dis-eases of faulty functioning and then prescribe the correct treatments to restore your health. Other mechanical and electrical devices register your blood pressure, pulse, heart beat, and other functional or organic deficiencies—iool-proof precision instruments that are the very latest

SCIENTIFIC DIAGNOSIS

What is it worth to you to know the truth about your ailments-bo guesswork-just facts-plain and scientific facts?

ъŪ
