The Bond Market was quiet and imixed.

### Tobacco Strain Resists Virus

EXTREME COLD WEATHER kent reacints and trading to a minimum on the Central New York Regional Market inday years of research and experimentation—has developed a new strain of service camps. It can be an adverse to the service camps of burley tobacco which it says is almost immune to wildfire.

Wildfire, a virus disease which a tax of large were at tax of 30 dozen toderate officials as solders as solders as solders as the service of the poultry cleared well hive seese sold and 11 fresh regelables were in light supply as to the commercian house of the service of the specially dispersion of the poultry cleared well hive seese sold and 121, medium brought sta. So to the poultry cleared well hive seese sold and 121 medium brought sta. So to the poultry cleared well hive seese sold and 11 fresh regelables were in light supply as to burley growers.

The new species, a cross between the sease hucksters and out-of-toun butters were reluctant to load perishable tiens in the reserving weather pitter carloads of produce were received.

Wholesale prices as reported by the New york State Department of Agriculture—after 15 since his sponsor is interested in having Massey and Country Washburne's Orchestra concentuate on a tour of service camps.

ARTHUR GODFREY'S guest roster on WHEN at 8 includes Morton Downey, Momikai, Jerry Colonna, Frank Parker, Florian Zabach and Julius La Rosa.

The new species a cross between because hucksters and out-of-toun butters were reluctant to load perishable tiens in which it says is almost immune to burley growers.

The new specially dispersive to burley and a wild firever weather to be made available to growers withing the program of the tradition of the form of the tradition of the form of the tradition of the form of the

At a recent meeting of the board of trustees it was decided to permit deposits made on or before the 10th business day of January and July to earn dividends as of the 65 first days of those months. As a result of the two week-ends in the 55 Jan. I holiday, this will mean that 55 all deposits made up to and in-65 cluding Jan 15 will earn divi-

dends from the first of the month. som as "From present indications," said 170 Barker, "we expect that the bank will show a gain in deposits of about \$4,000,000 for the year 1950.

18.506.19 00 This will bring the bank's deposits of approximately \$73,000,000 on The following quotations represent prices paid for heans per 100 pounds at the farm by dealers in Crustral and Western New York, on a hand-picked basis.

### Pea beans 7 500@ 7 50 Candle to Spark Fete Yellow eyes. 7 500 25 A SPECIAL anniversary candle

will be lit officially to start the 100th anniversary open house of the Merchants National Bank and Trust Company Saturday at 2 P.M A candle chosen for this occa sion was selected not only because of the anniversary but as it also symbolizes Syracuse's progress dur-22 ing the last 100 years as the can-50 dle capital of America.

Because of the great interest shown in the open house, prepara-7 25 shown in the open house, prepara-50 tions have been made to provide an 5 50 abundance of refreshments and special gifts for children who attend this community celebration The entire staff of the bank will
